LA BROUSTAL

MÈRE & FILS

OUR STORY

La Broustal Mère & Fils (mother & son) has been opened since April 27th, 2023.

A family story made possible thanks to grandma Broustal -hardworking crepes maker in Brasparts, St-Brieuc and Rennes- who transmitted her recipes and skills.

Her memory engraved in our heart, we offer you, as a family, delicious crepes and galettes made with local, seasonal, and organic products thanks to our great local producers.

Our galettes and crepes are cooked to order!
