

Atrium

R E S T A U R A N T

- HR** | Atrij "ATRIUM" naziv je unutarnjeg dvorišta još od antičkih vremena. Takva vrsta predvorja služila je kao prednji dio hrama u rimskim kućama gdje je bilo smješteno ognjište.
- Samim tim nazivom želimo otvoriti vaša nepca i uvesti vas u gastronomski užitak u kojemu s puno ljubavi pripremamo hranu samo za vas.
- EN** | The word ATRIUM has signified an open inside courtyard ever since ancient times. Such an entrance hall used to represent the front part of a temple in ancient Roman houses, where the hearth stood.
- The name itself is intended to open your taste buds and be your entrance to a temple of gastronomic delights in which we prepare your food with great love and devotion.
- DE** | Das Wort ATRIUM steht seit jeher für einen offenen Innenhof. Eine solche Eingangshalle war in antiken römischen Häusern der vordere Teil eines Tempels, in dem der Herd stand.
- Der Name selbst soll Ihre Geschmacksknospen öffnen und Ihr Eingang zu einem Tempel der Gaumenfreuden sein, in dem wir Ihr Essen mit großer Liebe und Hingabe zubereiten.
- IT** | La parola ATRIUM identifica un cortile interno a cielo aperto ancora fin dai tempi antichi. Questo tipo dell'ingresso rappresentava la parte anteriore del tempio delle antiche case romane dove sorgeva il focolare.
- Il nome stesso è destinato ad invitare le vostre papille gustative verso il piacere e ad introdurvi in un tempio di delizie gastronomiche dove con tanto amore e tanta devozione prepariamo il cibo solo per voi.
