ROSÉ

Zaštitni znak ljeta savršen za osvježanje. Lijepo se kombinira i sa salatama, plodovima mora, janjetinom i većinom tjestenina.

An iconic summer wine perfect on its own, rosé also pairs beautifully with salads, seafood, lamb and most pastas.

Semillion, Sauvignon Blanc / Bordeaux, France

Sauternes je jedno od najpoznatijih slatkih vina na svijetu, porijeklom iz Bordeauxa, a radi se od grožđa napadnutog plemenitom plijesni- botrytis, koja dehidrira grožđe i tako koncentrira šećere.

Sauternes is one of the most famous sweet wines in the world. It comes from Bordeaux, and it is made with grape that has been affected with botrytis. This causes grapes to become partially raisined, resulting in concentrated and distinctively flavored wines.
