A BIT ABOUT US

You're in the historic Isidor Alexander Villa, once home to a Wrocław banker and built at the end of the 19th century. Interestingly, directly across the street on Liskego stood an identical villa, owned by Neander, the second of the Alexander brothers.

For over 10 years, this place has been home to Przyjaciele i Znajomi (Friends & Acquaintances), a restaurant full of character and charm. We host celebrations, corporate events, beautiful weddings and receptions – our team and the villa's unique interiors will ensure your event is truly unforgettable. We're also open to creativity! The villa's interior doubles as an exhibition space for art and culture.
