About Us

We're two people bound not just by love, but by the wish to do things with meaning. We grew up with the smell of warm bread, slow-simmered zacuscă on the stove, and stories whispered in the quiet evenings of Sibiu's heart.

Out of love for honest, wholesome flavors, we choose to work with local people, honest producers who pour their soul into every ripe tomato, every drop of milk, and every egg gathered gently by hand. That's how we keep the real taste alive, the one that doesn't lie and doesn't rush.

Here, food isn't just about hunger. It's about memories, connection, and gratitude. Thank you for being here, and for leaving us a thought, kind or sincere, that helps us learn and grow.
