

XU'S COOKING

❧ *Dear Guests!* ❧

We are delighted to welcome you to our restaurant.

Our head chef, Mr. Xu, ensures your culinary satisfaction with his 30 years of experience in Asian vegan and vegetarian cuisine. We cook with fresh, natural ingredients, without MSG.

In our menu, you'll find classic vegetarian dishes, as well as plant-based 'meat substitute' dishes – mostly made from soy, beans, and tofu. These dishes mimic the appearance and taste of meat and fish, but are 100% vegetarian.

Our balanced vegetarian cuisine is rich in protein, vitamins, and minerals, promoting health, performance, and well-being. Ethics, respect for animals, and responsible use of natural resources are strong arguments in favor.

Vegans can enjoy almost all dishes. Exceptions, such as dishes with eggs and cheese, are clearly marked on the menu, although some of these dishes can be prepared vegan upon request.

Parking:

Our guests can park at a discounted rate in the underground garage – €1.50 per hour."
