

VIATORES - TRAVELLERS

Homo viator – a traveller, a wanderer – one of the most universal motives in human heritage, known at least since Homer's Odyssey. Our itinerary led us through numerous destinations in Europe and throughout the world to finally take us here: to the Sunny Coast. We hope, our hospitable refuge can be your harbour as well. Our offer covers – obviously – Polish cuisine, but you can find some Mediterranean and North European proposals as well, and a few from other continents, too
