GLAGOLJICA / GLAGOLITIC SCRIPT

Glagoljica je najstarije slavensko pismo. Nastala je u 9. stoljeću, a stvorili su je Sveti Ćiril i Sveti Metod za širenje kršćanstva među Slavenima.

U Hrvatskoj se posebno dugo koristila, osobito u crkvenim tekstovima i na kamenim spomenicima.

Glagolitic script is the oldest Slavic alphabet. It was created in the 9th century by Saint Cyril and Saint Methodius to spread Christianity among the Slavs.

In Croatia, it was used for a very long time, especially in church texts and stone monuments.
