

The background is a detailed botanical illustration. At the top, there are green leaves and several long, yellow, cylindrical seed pods hanging down. To the right, there are large, dark green, elongated leaves. In the center, a hummingbird is shown in flight, facing left. Below it, another smaller bird is in flight, also facing left. At the bottom, there are various green plants, including a branch with small round leaves, a branch with pointed leaves, and a large, dark green, lobed leaf resembling a monstera. The overall style is a soft, painterly botanical illustration.
