Koncho & Co.

Georgia is the cradle of viticulture.

Wines from the Koncho & CO winery portfolio regularly receive high ratings and score points at national and international competitions. Georgian wines are distinguished and interesting in that they are produced by the qvevri method. Wines marked qvevri were made by traditional methods of fermenting grapes in ceramic vessels called qvevri.

Kisi Qvevri / 2017

white - dry

The wine was fermented in a clay pot. Attractive aromatic variety.
