

The InGrano Wine List

For a perfect dinner at InGrano, the wine selection should reflect the rich diversity of Italian terroirs, pairing labels that enhance the flavors of the dishes served. Let's start with a Prosecco di Valdobbiadene for the aperitif, crisp and fresh, ideal for whetting the appetite. Next, a white **wine like Lugana can complement** fish dishes, thanks to its citrus and mineral notes. For pasta dishes with rich sauces, a Chianti Classico from Tuscany, with its balanced flavor of red fruits and a light spicy note, could be the perfect choice. Finally, for meat-based main courses, a robust Barolo from Piedmont, with its complex tannins and bouquet of ripe cherries and licorice, will close the dinner in style. For dessert, a slightly sweet Moscato d'Asti can complete the experience with a refreshing note.
