

STREFA RYNEK RESTAURACJA

Welcome to Strefa Rynek Restaurant - a place that was our dream for many years and became a reality in 2024.

We created it as a place where people can come together and enjoy meaningful moments around a shared table. Here, we have the pleasure of welcoming families, friends, and business partners, believing that the best memories are made in a warm atmosphere, over delicious food, and in the company of wonderful people.

Every day, we do our utmost to make each guest feel truly special. We prepare every celebration and gathering with the same care and dedication as if we were organizing it for our own family and friends.

Thank you for your trust and for being part of our story.

Our dream comes alive every day thanks to you.

We are pleased to organize:

- weddings, baptisms, and First Holy Communion celebrations,
- birthdays, jubilees, and anniversaries,
- banquets and corporate events,
- class reunions and family gatherings,
- holiday celebrations,
- funeral receptions and memorial gatherings.

Each event is planned individually, with great attention to detail, ensuring the highest quality, a unique atmosphere, and the utmost comfort for our guests.

We prepare all dishes fresh to order using high-quality ingredients. Therefore, the waiting time for your order may exceed 30 minutes.

Preparation times depend on the number of guests currently dining in the restaurant and the volume of takeaway orders being processed.

During busy periods, waiting times may be longer.

If you have any questions or concerns, please speak to a member of our team - we will be happy to assist you and provide any information you may need.

Thank you for your patience, understanding, and trust.

We kindly ask that you inform our staff before placing your order if you would like to split the bill or require an invoice.
