

CHAUFAS

ARROZ DE CHAUFAS (Chinese rice) is a Peruvian fried rice dish. It is a chifa style dish, a mix of Peruvian and Chinese cuisine. It consists of a mix of fried rice with vegetables, usually including Chinese onions, eggs, and meat, quickly cooked at a high flame, often in a wok with soy sauce and oil. It is highly influenced by Chinese cuisine due to the influx of Chinese immigrants to Peru. In Ecuador, a similar dish is known as **CHAULAFAN**.
