

MAŁA Sztuka

EST. 2016
COCKTAIL BAR

A detailed botanical illustration border surrounds the central text. It includes various leaves, flowers, and fruits. At the top, there are long, pointed leaves and citrus slices. On the right, a hand holds a cocktail glass with a drink and a garnish. At the bottom, there are more leaves, flowers, and a hummingbird flying towards a green glass bottle. The background is a light, textured grey.
