Exclusive experience with us

signature cocktails and unique flavors inspired by Mongolia

Mongolian Cocktails

FROZEN UB

9.5/ 

Just like in the world's coldest capital, Ulaanbaatar, a crisp flavor unfolds with icy freshness and hints of the Far East: Mongolian vodka enhanced with coconut milk, lime, and mint.

GOLDEN GOBI

9.0/ 

Golden fruit meets crystal-clear coolness: vodka, sea buckthorn liqueur, and honey syrup blend over ice into a gently tart, fruity composition. Warm in character, refreshing on the finish – like a fleeting whisper of the Golden Gobi in a glass.

ULAAAN BERRY

10.5/ 

A fabulous cocktail made with Mongolian vodka and fermented mare's milk, refined with sweet strawberries and fresh mint. Fruity and refreshing, with the cool clarity of the Khangai Mountains.

NOMADIC SILK ROAD

10.5/ 

As if born from an ancient legend, this cocktail tells the story of riders crossing the Silk Road beneath endless skies. Strong Mongolian vodka and slightly tangy fermented mare's milk evoke the spirit of life on the steppe. Fresh mint drifts through like a cool wind across vast grasslands, while golden honey brings the warmth of distant caravan camps into the glass.
