

Atelier **Grazing**

By Sandrine

The background of the image is a close-up photograph of a person's hand holding a black mug. Inside the mug, there is a golden-brown waffle. Several colorful circles are floating around the mug, each containing a different word: a pink circle for "Saveurs", a green circle for "Fraîcheur", a yellow-green circle for "Fruits", a green circle for "Home made", and a purple circle for "Gaufres".
