FOOD & WINE

Welcome to Tuscania Restaurant

We bring authentic rustic Mediterranean flare blended with
an outstanding location

Open since 2013, this Mediterranean Restaurant and Wine Bar,
created by Marco & Daniele, offers traditional Italian and
Spanish cuisine in a relaxed and inviting atmosphere

The attention to details is flawless and the dishes prepared by our
Italian chef from Milano (ITALY) are simply delicious.
The space, like the food it represents, is designed to evoke a sense of unpre-
tentious sophistication, or elegant rusticity.

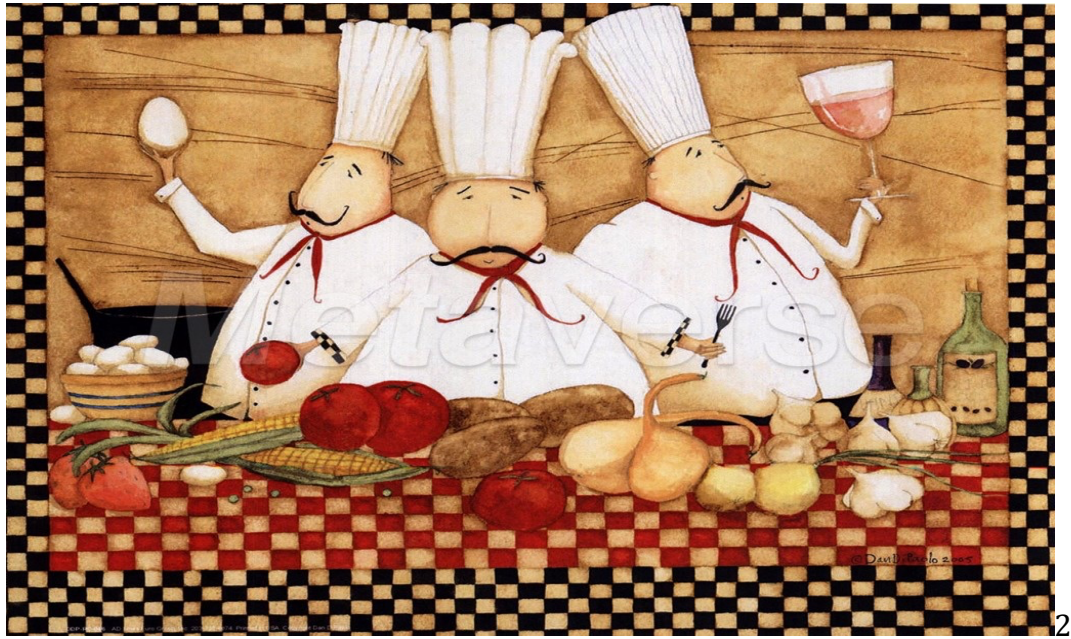

Every detail, every piece of furniture, every bite, has been finely crafted with
knowledge, true materials and fresh ingredients.

Sincerely

Marco & Daniele

Se dice que hay un cuento en el que un hombre preparó paella para su novia para ganar su cariño. En español, paella puede ser una derivación de la frase "por ella" o "para ella". Aunque esto pueda ser sólo una bonita historia, hay algo de verdad, ya que en España generalmente cocinan las mujeres, sin embargo, la paella es tradicionalmente un trabajo de hombres.

All our Paellas are gluten free and 100% homemade
