LIGHT LAGER

The characteristic taste is that of fresh saaz hops, which give it a distinct bitterness unique only to Pilsner Urquell. The texture of this beer is where the magic is; as it rolls across your tongue, you'll notice that it's a smooth, weighty liquid that fluidly fills your mouth, without creating a heaviness.

DARK LAGER

Velkopopovický Kozel dark beer is brewed to the original recipe using a special mix of dark malts, clean water from our own well close to the brewery, and a selection of the best hops. The caramelized malt gives this beer a unique ruby color and sweet flavor.

VÍTĚZ (WINNER) 55,-

GRISSETTE

whose recipe won among dozens of samples in the brewer's competition organized. We asked members of the Guild of Home Brewers from all over the Czech Republic and Slovakia to send their samples to us in Prazdroj for evaluation by expert judges. A jury consisting of experienced Prazdroj brewers and the chairman of the Home Brewers' Guild rated "Grisette" brewed by Martin Březka as the best beer of the historical style. We are brewing a combination of the winning recipe and the art of Pilsen brewers for the month of September.
